- Games starting at or before 6:30 PM are played to 15
- Games starting after or 6:30 PM are played to 13
- 1 time out per half PLUS 1 floater
- **CAP RULE (All games capped at 8:30 PM):** Play out the current point, once point is complete add 1 to the higher score and play to that
- **DAYLIGHT RULE:** Games must not continue once lighting hinders safe play - this should never be ignored.
- **COED RATIO:** Each team can play no more than 5 men during a single point. Should a total 8 ladies be present during a game (with each team having a minimum of 3 women), then Offense may choose to play up to 3 women and defense must match. In this case, if the defense cannot field 3 women, they may not field more than 4 men. (This does not require agreement from the opposing captain.)
- WEATHER:** Games will be postponed and/or cancelled in the event of lightning - no one is to be on the fields when lightning is present. Please sign up for our *Rained Out* text messaging system to stay in the loop. (Email noogadisc@gmail.com for details)

Ultimate League Specific Rules

- | | |
|---|--|
| 1 | Coed Ratio: Whenever 8 women are present during a game (A combination of both teams having 4 women &/or one team having 5 women & the other team having 3), the coed format is Offense-Decides (up to & no more than 3 women). Any team may play more than 3 women at any time, but the defense must match only up to 3 women when each team has at least 3 women in attendance. |
| 2 | Aggressive Discussion, Loud Hollers, Etc: It is the responsibility of all players to calmly nip in the bud any irate players before the situation escalates to catastrophe. Captains & players must do whatever it takes to maintain peace on the field. It is the responsibility of everyone to report aggressive persons and/or persons displaying unsportsmanlike conduct to the League Coordinators. Such persons will be given one warning to behave, then on the second occurrence be dismissed from further League play. Spirit of the Game must remain a priority during each & every game throughout the season. |
| 3 | Reporting of Scores: Game scores need to be reported to The Exchange within 24 hours of the game's finish. Scores that remain unreported to The Exchange for more than 24 hours will be derived utilizing the SWAG Method, which is likely to be far from fact. Scores are final once derived by the League Coordinator and posted to the League Scores & Standings web pages. |
